

VOLUNTEER WITH US

Other ways to volunteer:

- Foster
- Home Visits (provide home visits for adoption applicants in a specific area)
- Administrative Transportation (transfer dogs to participating veterinarians or pick up dogs from shelters/airport)
- Maintenance (use skills to help with overall property and facility upkeep and special projects)
- Events (be a brand ambassador at community outreach, fundraising, and adoption events)
- Corporate/Group
- Outings

Each year, hundreds of volunteers provide thousands of hours of service in support of various facets of the Yankee Golden Retriever Rescue program.

CareGiver Volunteers

These volunteers work at the rescue center in Hudson, MA. Many provide hands-on canine education, enrichment, exercise, and simple training. These activities help minimize the stress and maximize the well-being and adoptability of the dogs waiting for their forever families. We also have CareGivers who provide other needs such as laundry, preparing treats, and cleaning.

Visit www.ygrr.org to apply

Email volunteer@ygrr.org with questions

After we review your information, the Volunteer Coordinator will contact you to schedule training and will add you to our private Facebook page where you can learn about new projects and opportunities for ongoing training and specialized support.
